Placards with name of your neighbourhood welcome!

Join all Vancouver neighbourhoods in protest of massive citywide rezoning/development plans

The Broadway Plan and Vancouver Plan are coming soon!

Plans for massive demolition/development citywide, intended to become the Official Community Plan. (Broadway Plan May 18 in Council, Vancouver Plan likely in June)

Bring friends, family, neighbours! Spread the word!

Vancouver Plan proposes high-rises in every neighbourhood in all shades of purple. Low to mid-rise and multiplexes everywhere.
